ROGUE. A SOCIAL DINING HOUSE.

Our kitchen follows the rhythm of the day,
from late brunches to midnight cocktails.
The kind of place where strangers share
a table and leave as friends.
That's a Social Dining House.

ROGUE LIVES IN A BUILDING WITH A STORY OF ITS OWN.

Horses, riders and guards passed through
Buitenhof 19 for centuries. Built in 1549 as
stables for the Court of Holland, the building
later became the Main Guard of the cavalry
protecting the Binnenhof. Today, the doors
are open once again.

A Social Dining House shaped by good food,
good company, shared dinners and long nights.
